We are pleased to cordially invite you to the BTI Endoret / PRGF workshop at Radisson Blu Airport on 24. September 2026.

This workshop offers a clear, up to date and practical overview of platelet rich plasma (PRP) within the field of regenerative medicine.

The session combines the clinical perspective of Dr. med. Peter Schnorr (FIRST Zürich) with the scientific and technical expertise of Jaime Rivas (BTI).

A collaborative, dynamic and evidence informed workshop designed to learn together, contrast perspectives and strengthen clinical decision making.

Agenda:

14:00	Registration & Welcome
14:30 – 16:00	Introduction to PRP in Regenerative Medicine Biological Foundations
16:00 – 16:15	Break
16:15 – 17:45	Standardisation & Quality in PRP Preparation Communication & Safety
17:45 – 18:45	Networking & Apéro Riche
18:45 – 20:15	Clinical Applications (Overview) Hands-on and open discussion

The workshop will be conducted in English
